You are *The NA Way*! Material for the magazine comes from NA members. We need your help to write articles for the magazine, and/or to encourage other members you know to do so, especially someone you know who has a great story to share.

The NA Way Magazine is a broad-based recovery and service magazine for the NA member. Editorial content ranges from personal recovery experience (including humor or nostalgia) to opinion pieces regarding topics of concern to NA as a whole, plus summarized reports from world services. Regarding the tone of an article, we look for a spirit of unity and mutual respect. We accept submissions in the same languages in which we publish *The NA Way*: English, French, German, Portuguese, and Spanish.

Mission Statement

Our mission is to provide each member with recovery and service information, as well as recovery-related entertainment, which speaks to current issues and events relevant to each of our members worldwide. In keeping with this mission, the editorial staff is dedicated to providing a magazine that is open to articles and features written by members from around the world, as well as current service and convention information. Foremost, the journal is dedicated to the celebration of our message of recovery--"that an addict, any addict can stop using drugs, lose their desire to use, and find a new way to live."
